# The Five Cores Remastered is a first-person puzzle game

---

based on the original released in 2012 .STORY After... After The Five Cores sequel and their sequel The Five Cores 2 was released, they still continue to make money from it (mostly by selling physical copies, although there are other ways). Although they lose all of their original target audience at the end of The Five Cores 2, they still make a lot of money from selling

---

physical copies. However, in the middle of 2013, this time, at least in online games, The Five Cores start releasing something completely new.
