Play online or on your desktop, and unleash the awesome power of the Matrix on a new battlefield—Cyber Hunter Season 4, a new PvP title for PC/Mac! New Matrix for Season 4 & Stronghold Season 4 introduces the first new Matrix theme for the Wanderers since Season 1! The power of the Matrix is unleashed! This season, players will find a new powerful tool that comes with a new and sinister Matrix theme, Matrix Golem: A Big Gun and a Big Trouble: The Matrix Golem is a signature weapon for Wanderers: while a simple gun, it is deadly. The Matrix Golem, which was first introduced in Season 2, allows players to use a full Matrix combo, and can be set up to unleash a "Big Gun" attack. The Matrix Golem's default attack mode will now fire a massive, unstoppable Matrix Beam directly at the target. The Matrix Golem can be set up to unleash a "Big Gun" attack with the Matrix weapon. These attacks will change to a higher speed mode when the Matrix Golem is jumping. If the Matrix Golem performs a "Big Gun" attack while jumping, it will fire a devastating, explosive special attack that will instantly deal a massive amount of damage to the target. The Matrix Golem is powered by mana and has a skill cooldown. Here are the Matrix Golem's skills: Matrix Weapon (1) – Targets an area around you and unleashes a massive beam of Matrix that deals heavy damage to all enemies in the area. Cooldown: 1 / Up to 3 per target. Goblin Cannon (1) – The Matrix Golem fires its slow projectile and deals damage to the nearby enemies. Speed: 1. Matrix Beam (2) – Targets an area and unleashes a massive beam of Matrix that deals heavy damage to all enemies in the area. If a target has been hit by a Matrix Beam attack, the attack deals even more damage to the target. Cooldown: 1. Big Gun (3) – The Matrix Golem will immediately jump high and fire a devastating attack that deals heavy damage to all enemies near the target and has a skill cooldown. If the Matrix Golem uses a Big Gun attack while jumping, it will fire a devastating explosion and has a skill cooldown. Special Weapon: The Matrix Golem can fire a series of "Special Shots" with the Matrix weapon. These will deal heavy
