Category: Windows help, software, tools A: You need to input a serial number with both the version of the software you have installed and the version of the program you are downloading. If you are downloading software from a cracked site you would need to input the serial number of the cracked version of the software. Blizzard Announces Diablo III Closed Beta - Watch the Announcement Trailer Giuseppe Nelva October 23, 2011 10:00 PM EST Blizzard has released the trailer for the Diablo III closed beta, which will be accessible on November 1st to all registered developers or else you'll have to register on site when it opens. In the mean time, you can check the FAQ of how to register for the closed beta on the official site and watch the trailer below.Q: Calculating mesh size of squares in a numpy array I have a 4x4 array of floats. Is there an elegant way to generate a 3x3 array of values in which each element in the 3x3 array is equal to the square root of the element in the 4x4 array, using numpy? I'm aware of the meshgrid function in scipy, but I can't find a function that works like this.
