FIFA 20 introduced the most significant evolution to FIFA Play in-game yet, introducing “Focus Mode,” which made the game easier to control when playing online. For FIFA 21, we have kept the quality high and only made small adjustments and improvements to Focus Mode to cater for the world stage. With changes to celebrations and abilities in FIFA 21, you’ll need to make sure you’re celebrating with the ball. GOALS IN FIFA 22 GAMEDAY Challenge modes represent exciting new competition for FIFA 21 in the main mode. FIFA Ultimate Team In Ultimate Team, as you progress in the game and earn experience points to improve your players, you will be able to unlock the next tier of players and build a comprehensive team that can compete with the best in the world. Starting now, the next tier of players will be available as you progress through the normal game mode. This will allow you to quickly build the best team possible and complete your Ultimate Team collection. Ultimate Team is where players will find all the competition they are looking for, including the FIFA World Cup, UEFA Champions League, UEFA Europa League and the FIFA Club World Cup. Each competition will feature different players and challenges, allowing Ultimate Team players to create, play and develop their teams to compete at the top of the game. WEAPONS IN FIFA 22 FIFA World Cup 2018 and FIFA Confederations Cup 2017 will allow players to experience some exciting new skill-shot moments. Inspired by the 2018 FIFA World Cup, we are excited to add more variety and new skills to the game. This will be the first time that players will be able to use Nike Ordem products. The Nike Football Kit Evolution has been specifically designed for FIFA, using and evolving

the current styles of both Nike and Adidas. This means that FIFA players can keep up with all the latest trends. We have also taken inspiration from our partners at adidas and have worked together to create new abilities from the adidas Innovative Training System. Players can now collect a number of new abilities, such as the Jack in the Box, No Guard, or Zig Z

split the game up into five sections to make them easier to access. **Heading Home - Taking You There** This new section takes you from the kick-off to the final whistle in full-length games. Get behind the scenes on the best FIFA 20 players for real-life teams and styles in the Head-to-Head and Squad Battles modes. That includes the full set of 11 FIFA 20 Starting Line-Ups, starting with the first team formation for every game. Plus, you can dive deeper into the squads of your favorite club with the new Squad Building mode, where you can match tactics and perfect formations. The Score Centre gives you the full match experience, from goals to substitutions. Plus, when you are in the action, you will benefit from all of the improvements in ball physics, goalkeeper mechanics and more. **Following the Ball - Touching It Up** This new section is focused on the pure enjoyment of football. While the last few seasons of FIFA have largely been stripped down, football has been simplified and adapted, showing that we truly want you to enjoy football again. You can now pick up the ball and use it any way you want. New dribbling abilities let you take opponents and teammates by surprise and take on-the-ball decision-making lets you create situations at will, taking you beyond the baseline and into the open space. We've also introduced new playmaking systems, including the Pique Pass and even the long-distance Kika Pass bc9d6d6daa
